11. [] LIAISON Spoke with Martha Braddock, on the staff of the Joint Committee on Defense Production, and indicated to her that we had a problem with releasing the full report on Soviet Civil Defense to William Kencade, of the Committee staff, since he did not have the necessary clearances. I suggested instead that we provide him with the conclusions of the report and also a briefing should he wish to have that. Ms. Braddock said that she could not understand why we couldn't release the report to them and she said she would speak with [] OSR. I said that was fine, but asked that she keep in mind our offer to provide the conclusions and the briefing.

12. [] LIAISON Called Jack Brady, House International Relations Committee staff, and asked if he could speak to our Intelligence Process Course on 15 December 1976 from 9:00 until 10:30 a.m. Brady agreed to speak and I told him I would provide him with more information about the group, what they expected, and directions for getting to the Chamber of Commerce Building.

13. [] LIAISON Steve Smith, in the office of Senator Frank Church (D., Idaho), called to request a wall size map of the Middle East. I told Mr. Smith I would try to get one and send it to him.

14. [] LIAISON [] DIA, called and stated that General Wilson had been requested by Chairman John Sparkman Senate Foreign Relations Committee, to testify on 13 January 1977 with respect to U.S. /U.S.S.R. balance of forces. I told him that the Director had received a similar letter. He asked me how we were going to handle it, and I told him we were trying to duck the open session, but I would get back to him when we had it a little more developed.

15. [] ADMINISTRATIVE DELIVERIES I delivered to the office of Representative Barbara Jordan (D., Texas), an invitation from the Director to participate in the Agency's observance of Black History Week during the month of February 1977.
